

Camp Oliver Worley 2018

Eatonton, Georgia

Camp Oliver Worley teaches campers how eco-systems work by conducting experiments that will encourage their natural curiosity about plants and wildlife. Led by Greg Eilers, Lockerly's Education Director, with assistance from GCSU students. Camp is never the same, so returning and first-time campers can always plan on new adventures and exploring.

Registration forms and fees are due by MAY 21, 2018. Forms are available at the Lockerly Arboretum office or online at lockerly.org. Please make checks payable to LOCKERLY ARBORETUM and mail to P. O. Box 310, Milledgeville, GA 31059, attention Greg Eilers, Director of Education. Call 478-452-2112 for additional information.

Cost: The **\$100.00** camp fee includes a camp t-shirt, camp expenses, and snacks during the day. Campers are responsible for bringing their lunch each day. Campers should bring a change of clothes and shoes because exploring can be wet and dirty. A poncho or rain jacket, and hat are suggested.

Space: Limited to 15 students per session. There will be a 5:1 student/staff ratio.

Camp Hours: 8:00 a.m. to 5:00 p.m.
- Early drop off – 7:30 a.m.
- Late pick up no later than **5:45 p.m.**

Camp Oliver Worley is located at 235 Park Road, Eatonton, GA 31024.

Camp Description: Campers will be outside 90 percent of the time. Campers should be interested in science and the outdoors and willing to participate in hands-on, science-based activities.

Camp Session I: June 11-15 for rising 6th-9th graders
Camp Session II: June 25-29 for rising 3rd-5th graders
